166 Acres, King

"Fiddlehead", rare opportunity to own 166 aces of pastures, rolling land and river valleys. Early farm house and barns overlook large spring fed pond. Several great locations to build your personal residence. Very private setting. Paved road frontage on the King Road plus frontages on the 8th Concession and Mill Road.

75 acres currently being cropped by tenant farmer.

Zoning allows for principal residence plus an additional residence for full time help.
