

Hilltop Estate, Caledon

Location: Caledon

Acreage: 24 Acres

Price: \$4,999,000.00

Hilltop Estate, Caledon

Set down a long winding drive is one of Caledon's most admired country properties with 3 homes plus a dramatic pool entertainment area. The main house was built on the top of the ridge at the tree tops to capture the views over the Caledon Hills. The property includes a custom created main home, century log guest house, a pool/cabana/outdoor kitchen, stable, an additional studio guest house plus a tennis court with shaded viewing shelter. Miles of trails and pond complete the offering.

The Residence

Crafted from stone, timber and glass, this home has been featured in TV and in numerous design magazines. Natural light, distant views and peaceful surroundings are the core elements of the home. Paved road frontage. Approximately 15,000 sq ft (GLA)

Main Dining Room 6m x 8.7m

The large Dining Room is set underneath a massive 2-storey vaulted ceiling which gives scale to the room.
